At 32 Ivory Lane Dental we know that you want to be a happy, healthy family. In order to do that, you need an easy dental experience. The problem is an over-complicated process with unexpected bills and wait times that make you feel overwhelmed. We believe having a healthy smile for a lifetime shouldn't be that hard. We know how frustrating it can be to book an appointment at two and have to wait around until four, or when you have to go round and round to get clear answers which is why for the last 21 years we have been making the process of getting excellent dental care as easy as possible for families in the DFW Metroplex area.

Cosmetic

Our goal is to be the best at what we do. The appearance of natural beauty requires a keen eye and attention to small details, which has enabled us to transform smiles beautifully for years with our undetectable results!

Family

Davis Dental & Orthodontics is excited to have your whole family become one of ours! We provide a full range of services for everyone and we know that you'll be pleased with the quality, customer service delivered by our staff.

Restorative

We take pride in offering the latest technologies that are both safe for you, as well as pampering your smile. We have outfitted our office with state-of-the-art equipment from digital X-rays to 3D scanning so all our patients can have a painless and easy visit.

Insurance We Accept

We are a preferred provider for many of the most recognized insurance companies and will assist you in all the processing and paperwork necessary. Remember that most dental insurance covers the initial exam and x-rays at no out-of-pocket cost to you! We accept most PPO insurance plans from these prestigious companies and more:

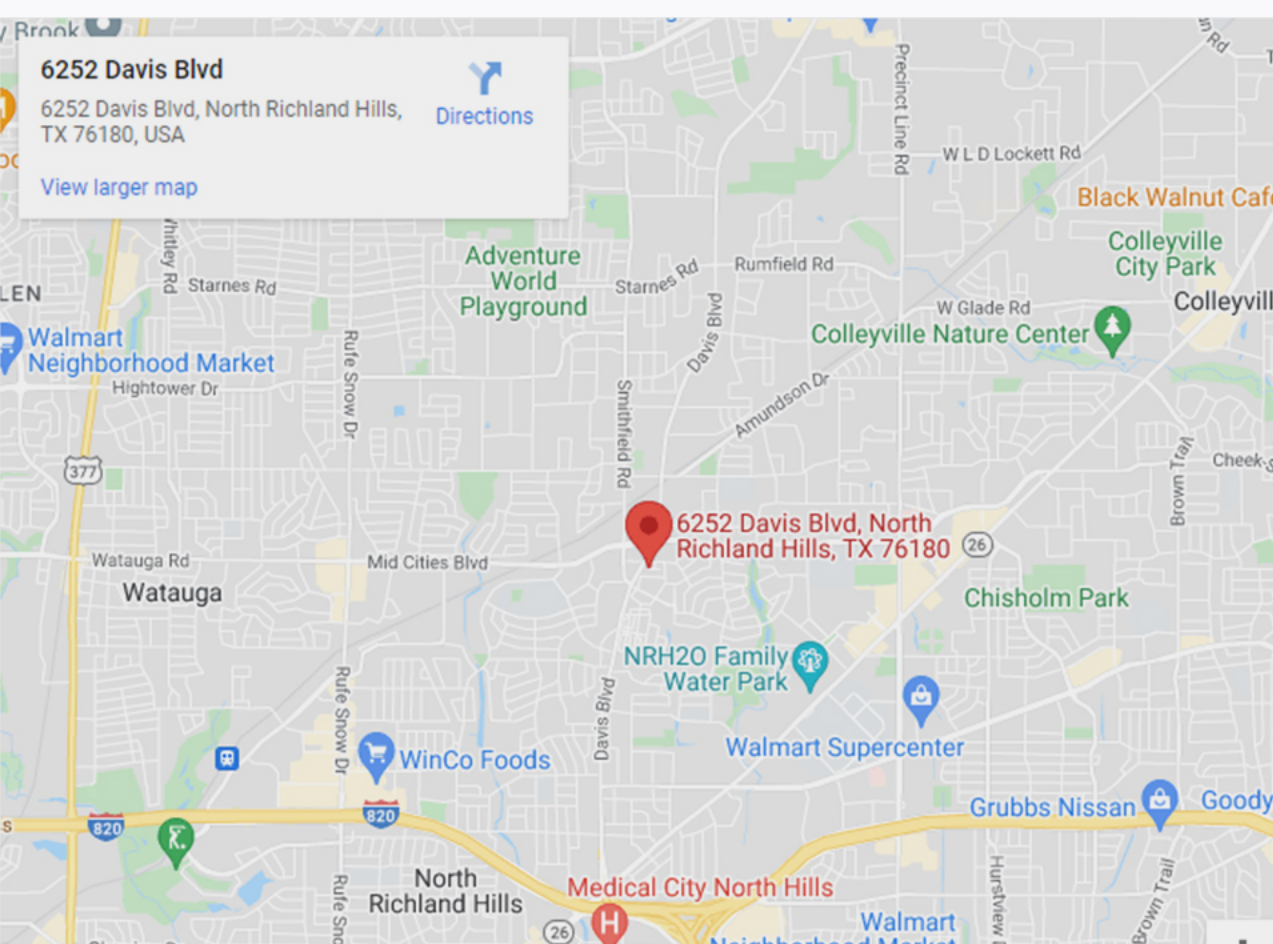

Please contact us for more information about your insurance plan. We are more than happy to explain your insurance to you in order to maximize your insurance amount because we understand how valuable they are to you and your family. Furthermore, we will file your insurance claims, track and follow up on any claim delays to serve you better.
